The screenshot shows a Notion update interface for a page titled "New vegan ice cream flavor rebrand campaign". The interface includes a navigation bar with tabs for "Updates", "Files", "Activity Log", and "Item Card", with "Updates" selected. Below the navigation is a rich text editor with a toolbar containing icons for bold, italic, underline, strikethrough, text color, font size, bulleted list, numbered list, table, link, unlink, indent, and a checkmark. The text area contains the following content:

Meeting Name

These are my notes. More Notes.

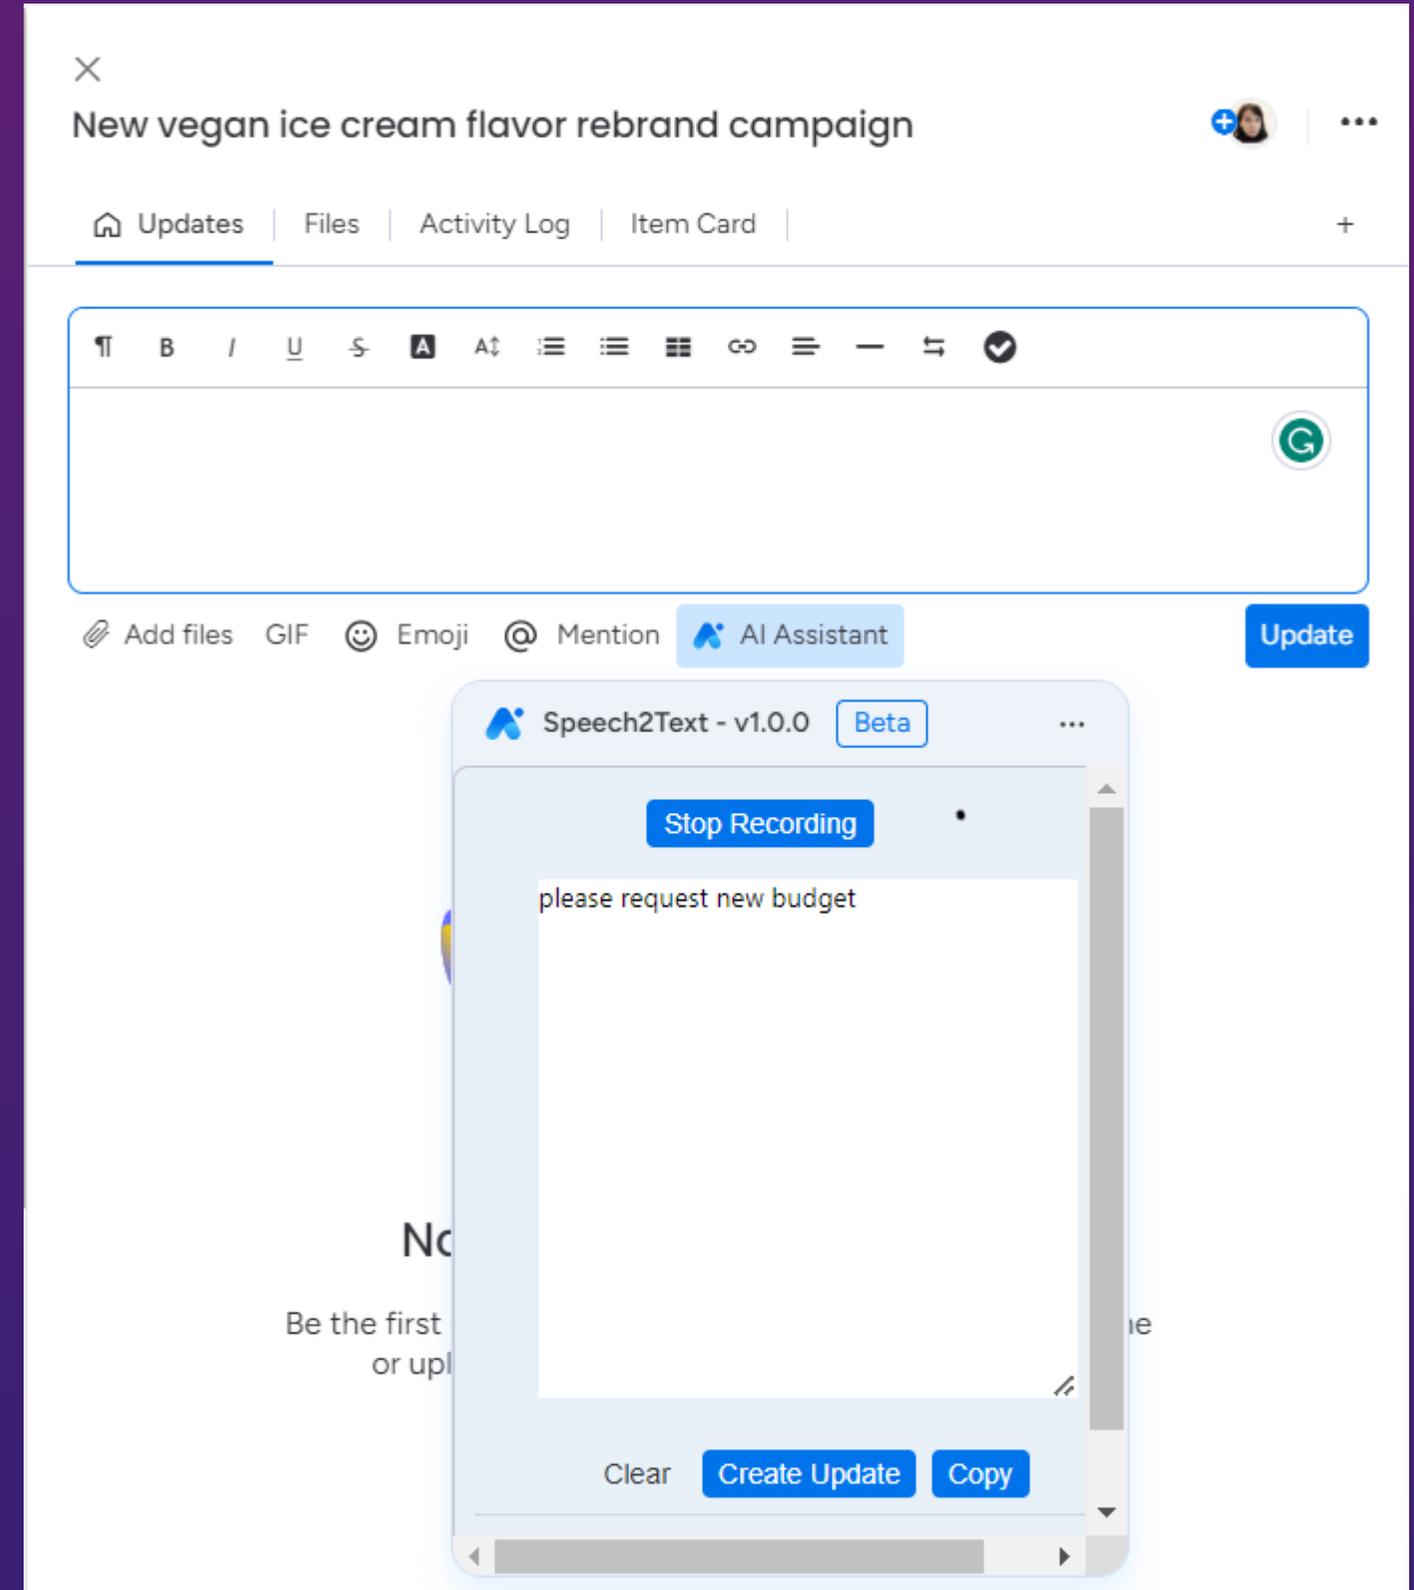

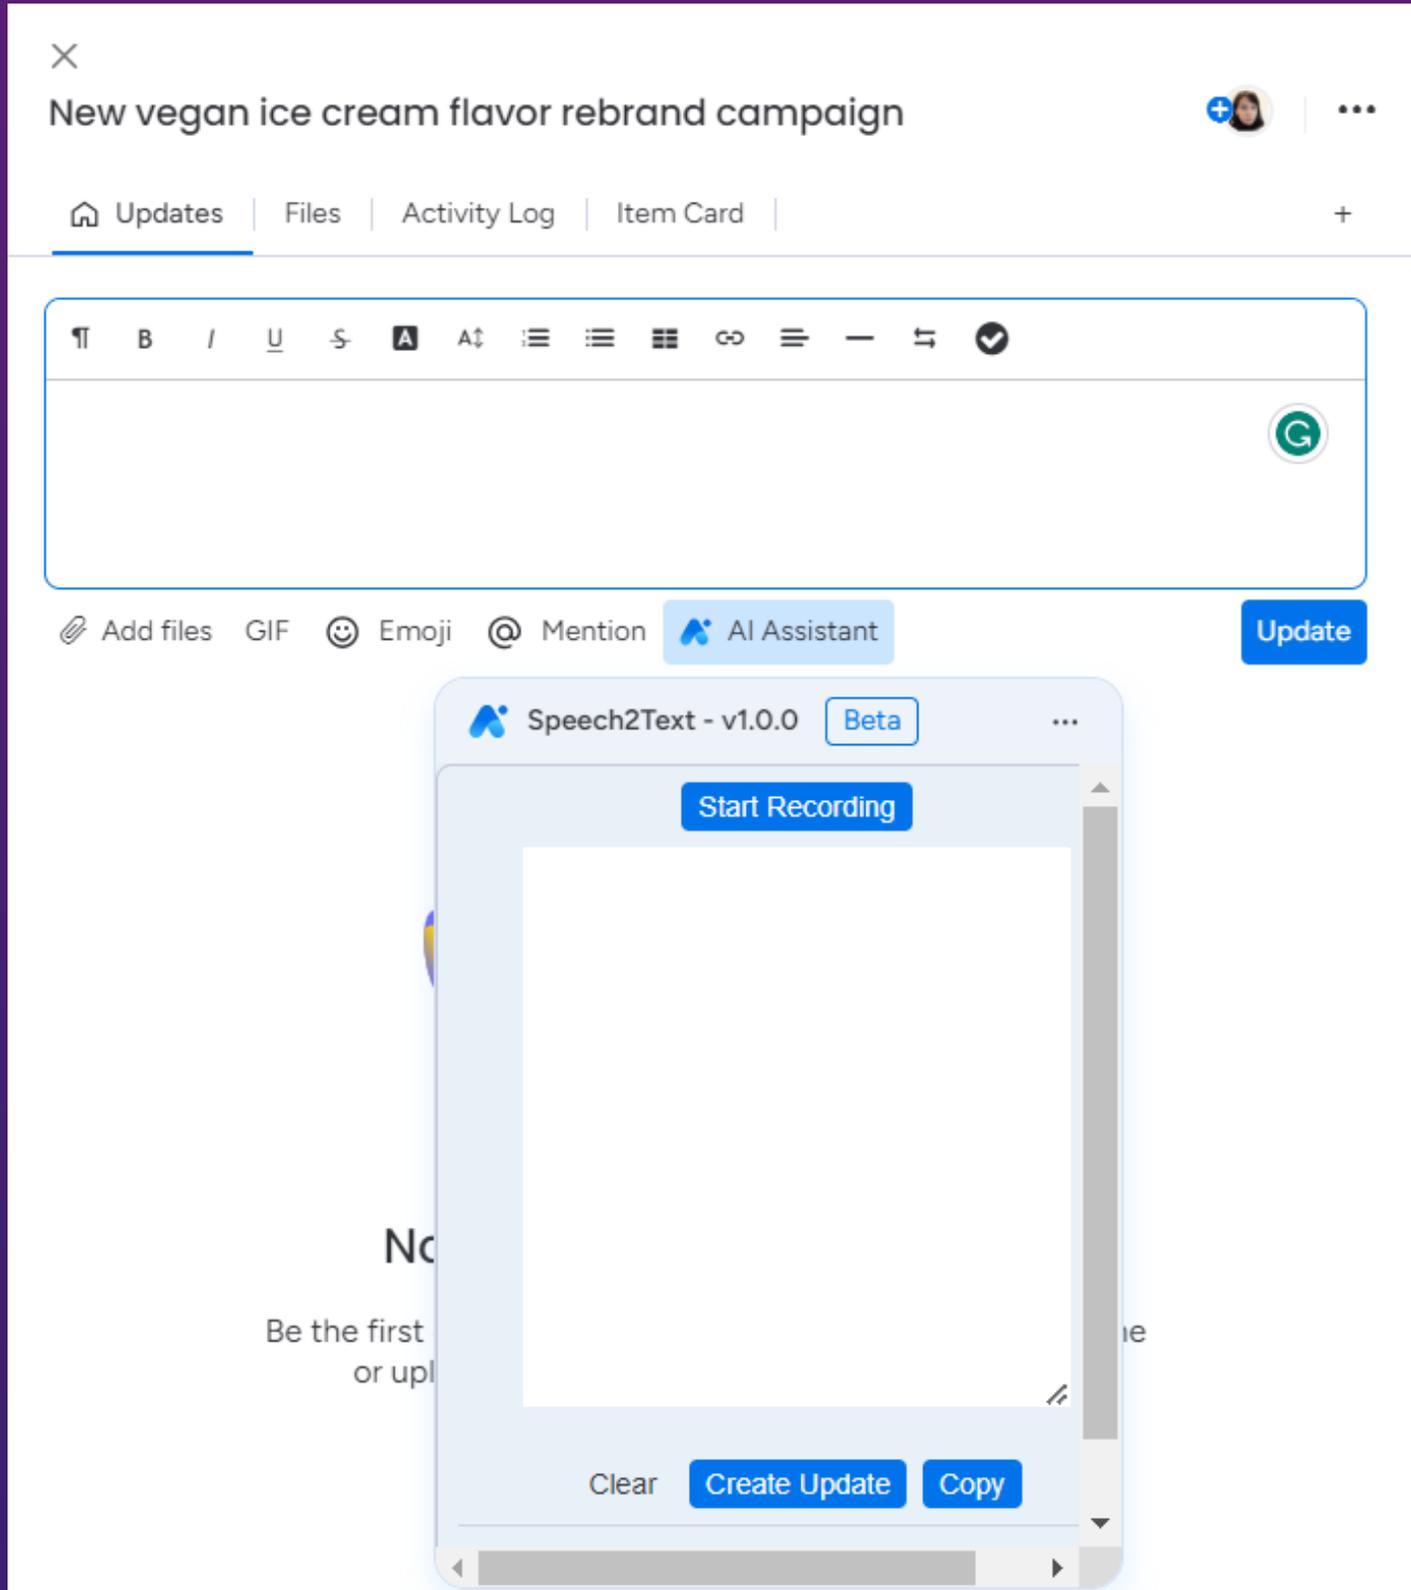

Page 1 of_ Even more notes.

Notes help me think. Here is an undone action|item.. More Notes but I Here is another action item, Put Slash through the box after I added it to my Tasks." More, more, more notes! Here is a task that was quick. just did it without adding. my Tasks list. And, more notes.

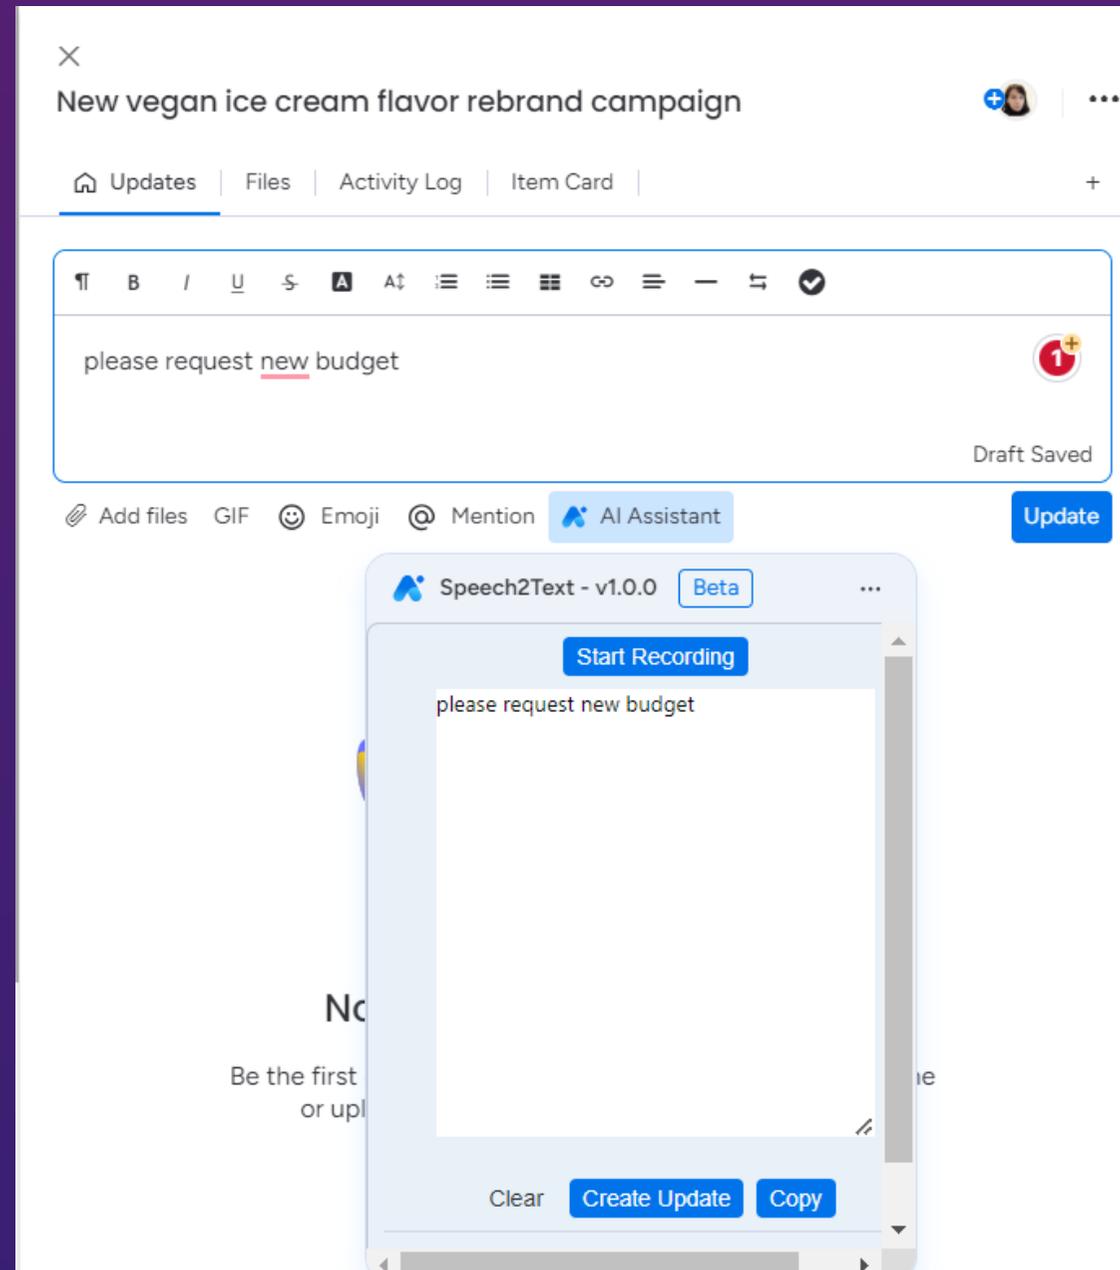

At the bottom of the editor, there is a row of icons for "Add files", "GIF", "Emoji", "Mention", and "AI Assistant". A blue "Update" button is located in the bottom right corner of the editor area.

Just Speak To Create Update

Just Click Create Update Button and Ta-Da!
