

# MAGICAL BEDTIME STORIES

**Ai-generated bedtime stories for kids**

# **Our Vision** **THE NO.1 PODCAST CHOICE** **FOR YOUNG EARS**

“Embarking on a global journey to become the most cherished podcast for kids, where AI-crafted tales fuel imagination and foster a love for learning”

# The problem

## LACK OF QUALITY PODCASTS TAILORED SPECIFICALLY FOR CHILDREN

Many parents likely find themselves reading the same bedtime story night after night. While there's an abundance of podcasts tailored for adults, there's a noticeable gap in content specifically designed for children.

This emphasizes the need for a solution like "Magical Bedtime Stories" that can provide fresh, engaging content for young listeners.

# **Our solution** **TURNING BEDTIME INTO A WONDERLAND WITH AI-GENERATED STORIES**

Leveraging wishes for both stories and factual topics, our podcast delivers a unique bedtime tale that no one has ever heard before.

The content is largely driven by the children, ensuring fresh and engaging narratives tailored to their imaginations.

At "Magical Bedtime Stories", we blend the wonders of technology and the limitless creativity of young minds. Every episode is:

### Child-Driven

Directly influenced by our young listeners' wishes and ideas.

### Engaging

Aida, our AI assistant, adds a playful twist with her banter alongside hosts Niklas and Tobias.

### Organic

Kids eagerly listen to their personalized stories, share with friends, who then submit their own, fueling a cycle of growth and engagement.

### Educational

Beyond tales, we sprinkle in facts, from nature to history.

### Unique

Crafted by AI, ensuring no repetition and bedtime stories never heard before.

Experience a podcast where children don't just listen – they inspire, learn, and spread the magic.

## Episode format

# CAREFULLY CRAFTED TO CAPTIVATE AND EDUCATE:

- Each episode spans approximately 15 minutes, offering a bite-sized yet enriching experience.
- Meticulously designed to be engaging, fun, and educational, ensuring children are both entertained and informed.
- Consistency is key. A fresh episode is released every weekday, ensuring a reliable source of bedtime tales for children and peace of mind for parents.

Our aim? Transform bedtime into a magical, learning journey.
